5.1 The Client may provide **Nova Partners Limited** with oral or written instructions (which shall include instructions provided via the internet or by e-mail as described below). **Nova Partners Limited** shall acknowledge the reception of the instructions orally or in writing, as appropriate.

5.2 The Client shall inform **Nova Partners Limited** in writing of the persons the Client has granted a Power of Attorney to instruct **Nova Partners Limited** on behalf of the Client. For practical reasons, **Nova Partners Limited** can only undertake to register one Power of Attorney for the Client. If the Client at any time wishes to revoke such a Power of Attorney, to change the extent of the Power of Attorney, or grant Power of Attorney to a different person this shall also be informed to **Nova Partners Limited** in writing **Nova Partners Limited** is in accordance with general rules regarding Power of Attorneys entitled to receive instructions from any person authorised by the Client as well as persons who appear authorised.

5.3 In addition to the terms listed on **Nova Partners Limited** website and the terms stated in Section 6 regarding the Trading Platform, the following terms apply to Contracts executed on the internet:

i **Nova Partners Limited** shall not undertake the risk towards Clients for any loss, expense, cost or liability suffered or incurred by the Client due to failure of the system, transmission failure or delays or similar technical errors unless **Nova Partners Limited** has exercised gross negligence in connection herewith, notwithstanding Clause 6.9;

ii **Nova Partners Limited** may offer real-time tradable prices to the Client. Due to delayed transmission between the Client and **Nova Partners Limited** the price

offered by **Nova Partners Limited** may have changed before an order from the Client is received by **Nova Partners Limited** . If automatic order execution is offered to the Client, **Nova Partners Limited** shall be entitled to change the price on which the Client's order is executed to the market value at the time at which the order from the Client was received;

iii Prices offered by **Nova Partners Limited** regarding the sale, purchase or exercise of Contract Options reflect the price of the relevant exchange traded product. Due to delays from the Client's execution of an order or instruction regarding a Contract Option to the execution of the relevant exchange traded product on the exchange, the price as listed on the Trading Platform is subject to change, in order for the Contract Option to reflect the price of the relevant exchange traded product at the time of its execution or exercise (as applicable);

iv The Trading Platform may be available in several versions, which may be differentiated in various aspects including, but not limited to the level of security applied, products and services available etc. **Nova Partners Limited** shall not be liable to the Client for any loss, expense, cost or liability suffered or incurred by the Client due to the Client using a version different **Nova Partners Limited** standard version with all available updates installed;

v The Client shall be responsible for all orders, and for the accuracy of all information, sent via the internet using the Client's name, password or any other personal identification means implemented to identify the Client;

vi The Client is obliged to keep passwords secret and ensure that third parties do not obtain access to the Client's trading facilities;

vii If the Trading Platform is used for Commercial use the Client is liable **Nova Partners Limited** for Contracts executed by use of the Client's password even if such use might be wrongful;

viii Regardless of the fact that the Trading Platform might confirm that a Contract is executed immediately when the Client transmits instructions via the Trading Platform, it is the Settlement/Trade Confirmation forwarded by **Nova Partners Limited** or made available to the Client on the Trading Platform which solely constitutes **Nova Partners Limited** confirmation of execution.

5.4 Any instruction sent via the Trading Platform or by e-mail by the Client shall only be deemed to have been received and shall only then constitute a valid instruction

and/or binding Contract between **Nova Partners Limited** and the Client when such instruction has been recorded as executed by **Nova Partners Limited** and confirmed by **Nova Partners Limited** to the Client through the Settlement/Trade Confirmation and/or Account Statement, and the mere transmission of an instruction by the Client shall not constitute a binding Contract between **Nova Partners Limited** and the Client.

5.5 The Client shall promptly give any instructions to **Nova Partners Limited** , which **Nova Partners Limited** may require. If the Client does not give such instructions promptly, **Nova Partners Limited** may, at its reasonable discretion, take such steps at the Client's cost, as **Nova Partners Limited** considers necessary or desirable for its own protection or the protection of the Client. This provision is similarly applicable in situations when **Nova Partners Limited** is unable to obtain contact with the Client.

5.6 If the Client does not provide **Nova Partners Limited** with notice of its intention to exercise an option, a Contract Option or another Contract which requires an instruction from the Client at the time stipulated by **Nova Partners Limited** , **Nova Partners Limited** may treat the option or Contract as abandoned by the Client. If the Client wishes to exercise an option, Contract Option or another Contract, the Client must provide **Nova Partners Limited** with notice thereof in reasonable time (and within applicable cut-off times) for **Nova Partners Limited** to exercise the corresponding right under any contract equivalent to the Contract Option that **Nova Partners Limited** has entered into with any Counterparty. Contract Options (put and call) that close one tick or more in the money on the last trading day will automatically be exercised, regardless of whether the Client has purchased or sold the Contract Option. The Client cannot instruct **Nova Partners Limited** not to exercise Contract Options that are in the money at expiry, and cannot at any time instruct **Nova Partners Limited** to exercise Contract Options that are out of the money.

5.7 **Nova Partners Limited** applies a random method of assignment among its Clients' Contract Options when **Nova Partners Limited** is notified by its Counterparties that one or more short option positions have been assigned. **Nova Partners Limited** allocation method randomly selects short Contract Options among all **Nova Partners Limited** Clients' positions, including Contract Options opened immediately prior to the assignment. All short Contract Options are liable for assignment at any time. If a short Contract Option is assigned, the Client is obliged, within the applicable time of delivery, to deliver the relevant amount of cash or assets

in the case of a call Contract Option and the relevant amount of cash in the case of a put Contract Option, to effect settlement.

5.8 **Nova Partners Limited** may (but shall not in any circumstances be obliged to) require confirmation in such form as **Nova Partners Limited** may reasonably request if an instruction is to close an Account or remit money due to the Client or if it appears to **Nova Partners Limited** that such confirmation is necessary or desirable.

5.9 Pursuant to general rules regarding power of attorney the Client is accountable to **Nova Partners Limited** for losses which **Nova Partners Limited** may suffer as a result of instructions from a person who has explicitly or tacit power of attorney to give **Nova Partners Limited** instructions on behalf of the Client.

5.10 **Nova Partners Limited** may refuse to act upon any instruction from any person authorised by the Client if **Nova Partners Limited** can render probable that the disposal pursuant to the instruction submitted would be in violation of the legislation relevant to the area, usual market practice, including but not limited to legislation on money laundering or insider trading, or if the disposal by **Nova Partners Limited** reasonable discretion will put the Clients and/or the bank's economic solidity at risk.

5.11 In general, **Nova Partners Limited** shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act consistent with the broker's Best Execution Policy. However if, after instructions are received, **Nova Partners Limited** believes that it is not reasonably practicable to act upon such instructions within a reasonable time, **Nova Partners Limited** may defer acting upon those instructions until it is, in **Nova Partners Limited** reasonable opinion, practicable to do so or as soon as possible notify the Client that **Nova Partners Limited** is refusing to act upon such instructions.

5.12 It is possible that errors may occur in the prices of transactions quoted by **Nova Partners Limited**. In such circumstances, without prejudice to any rights it may have, **Nova Partners Limited** shall not be bound by any Contract which purports to have been made (whether or not confirmed by **Nova Partners Limited**) at a price which:

- i **Nova Partners Limited** is able to substantiate to the Client was manifestly incorrect at the time of the transaction; or
- ii was, or ought to have reasonably been known by the Client to be incorrect at the time of the transaction. In which case **Nova Partners Limited** reserves the right to either 1) cancel the trade all together or 2) correct the erroneous price at which the trade

was done to either the price at which **Nova Partners Limited** hedged the trade or alternatively to the historic correct market price.

5.13 Trading strategies aimed at exploiting errors in prices and/or concluding trades at off-market prices (commonly known as "sniping") are not accepted by **Nova Partners Limited**. Provided that **Nova Partners Limited** can document that there on the time of the conclusion of the trade were errors in prices, commissions, or in the Trading Platform, and provided **Nova Partners Limited** can render probable that the Client, based on its trading strategy or other provable behavior, deliberate and/or systematically has exploited or attempted to exploit such an error, **Nova Partners Limited** is entitled to take one or more of the following countermeasures:

- i adjust the price spreads available to the Client;
- ii restrict the Client's access to streaming, instantly tradable quotes, including providing manual quotation only;
- iii retrieve from the Client's account any historic trading profits that **Nova Partners Limited** can document have been gained through such abuse of liquidity at any time during the client relationship; and/or
- iv terminate the client relationship immediately by giving written notice.

5.14 If the Client is more than one person (for example, joint accountholders):

- i the liabilities of each such person shall be direct, joint and several;
- ii **Nova Partners Limited** may act upon instructions received from anyone person who is, or appears to **Nova Partners Limited** to be, such a person, whether or not such person is an Authorised Person;
- iii any notice or other communication provided by **Nova Partners Limited** to one such person shall be deemed to have been provided to all such persons; and
- iv the rights of **Nova Partners Limited** under Clause 20 shall apply if an event described in Clause 20 shall be deemed to have occurred in respect of any one of such persons.

5.15 The Client agrees that **Nova Partners Limited** may record all telephone conversations, internet conversations (chat), and meetings between the Client and **Nova Partners Limited** and use such recordings, or transcripts from such recordings, as evidence towards any party (including, but not limited to, any regulatory authority

and/or court of law) to whom **Nova Partners Limited** at its reasonable discretion sees it to be desirable or necessary to disclose such information in any dispute or anticipated dispute between **Nova Partners Limited** and the Client. However, technical reasons may prevent **Nova Partners Limited** from recording a conversation, and recordings or transcripts made by **Nova Partners Limited** will be destroyed in accordance with **Nova Partners Limited** normal practice. Consequently, the Client should not rely on such recordings to be available.

5.16 When the Client instructs **Nova Partners Limited** to enter into a position opposite to one or more of the Client's open positions, **Nova Partners Limited** will close out the opposite position in accordance with the FIFO principles unless the position has related orders or otherwise agreed.

5.17 The Client acknowledges that **Nova Partners Limited** has the right to, but not the obligation to close directly opposite positions. This applies not only when the positions are held on the on the same account, but also when they are held on separate accounts.

5.18 If the Client operates several Accounts (or subaccounts) and opposite positions are opened on different Accounts (or sub-accounts), **Nova Partners Limited** shall not close out such positions. The Client is specifically made aware that unless closed manually, all such positions may be rolled over on a continuous basis and thereby consequently all incur a cost for such roll-over.

The Client is obligated to notify **Nova Partners Limited** without undue delay on becoming aware of unauthorized use of the Trading Platform, or if the Client suspects that the password has been misappropriated by a third party, the Client shall contact **Nova Partners Limited** immediately to block his Trading Platform. The Client can then order a new password. The Client is for a period of 18 months after notification entitled to request **Nova**

Partners Limited to provide the Client with the means to prove that he made such notification.

6.3 The Client can block his Trading Platform at any time by contacting **Nova Partners Limited** . Blocking the Trading Platform prevents other persons from accessing it. Open orders and positions placed on the platform before the blocking will not be affected by the blocking unless the Client specifically requests so, and the Client is responsible for deciding about his positions.

6.4 The right to use the Trading Platform is personal, and the Client shall not allow other persons to use his user ID and/or his password. If the Client wants to allow a third party to trade on the Client's account, the Client shall issue a separate power of attorney to the relevant third party. The power of attorney shall be written on one of **Nova Partners Limited** power of attorney forms. The issue of the power of attorney shall be approved by **Nova Partners Limited** .

6.5 From the Trading Platform the Client can print reports on trading activities and his account balances.

6.6 Where the Client has placed an order which he subsequently regrets, the Client may request that the order be cancelled up until the time of execution. The Client is aware that **Nova Partners Limited** is under no obligation to cancel the order. A request for cancellation or an order can be made via the Trading Platform or by calling **Nova Partners Limited** Sales Trading. Requests concerning cancellation of orders generated when the margin is exceeded can only be made to **Nova Partners Limited** . An order shall not be considered to be cancelled until the Client has received a written confirmation from **Nova Partners Limited** .

6.7 The Client shall not be liable for unlawful use of the Trading Platform occurring after the Client has informed **Nova Partners Limited** .

6.8 Where the Trading Platform is used for Private Use, **Nova Partners Limited** shall be liable for direct losses resulting from defectively executed orders, unless defectively executed order is due to conditions for which the Client is liable. **Nova Partners Limited** shall not be liable for any indirect losses.

6.9 **Nova Partners Limited** shall not be liable for losses in cases of abnormal and unforeseeable circumstances beyond the control of **Nova Partners Limited** pleading for the application of those circumstances, the consequences of which would have been unavoidable despite all efforts to the contrary.

Furthermore, the Client shall be obliged to make backup copies of data which, should such data be lost, might result in losses for the Client.

7.9 **Nova Partners Limited** shall not be obliged to account to the Client for any income received by **Nova Partners Limited** as a result of carrying out any of the activities described in this Clause.

7.10 The Client shall be obliged to promptly deliver any money or property deliverable by it under a Contract in accordance with the terms of that Contract and with any instructions given by **Nova Partners Limited** for the purpose of enabling **Nova Partners Limited** to perform its obligations under any corresponding Contract entered into between **Nova Partners Limited** and a third party.

7.11 If the Client fails to provide any margin, deposit or other sum due under this Agreement in respect of any transaction **Nova Partners Limited** may close any open position without prior notice thereof to payment of any amounts due to **Nova Partners Limited**. This is further regulated in Clause 8.2 and Clause 19.

7.12 If the Client fails to make any payment when it falls due, the Client shall pay interest (from the due date and until payment takes place) on the outstanding amount at the rate stated in the Commissions, Charges & Margin Schedule, cf. Clause 12.3.

7.13 The Client is advised that **Nova Partners Limited** shall have the right, in addition to any other rights it may have under this Agreement, to limit the size of the Client's open positions (net or gross) and to refuse orders to establish new positions. **Nova Partners Limited** will inform the Client as soon as possible regarding such refused orders and the reason for the refusals. Situations where **Nova Partners Limited** may exercise such right include, but are not limited to, where:

- i **Nova Partners Limited** has reason to believe that the Client may be in possession of Inside Information;
- ii **Nova Partners Limited** considers that there are abnormal trading conditions;

- iii the value of the Client's Security (as determined by **Nova Partners Limited** in accordance with Clause 7.4) falls below the minimum margin requirement as defined in **Nova Partners Limited** Commissions, Charges & Margin Schedule; or
- iv the Client has a negative cash-balance on any Account.

7.14 Settlement of Contract Options shall correspond to the settlement of the relevant exchange traded option in accordance with the market rules and terms and conditions applicable to the relevant exchange traded option. For Contract Options on cash settled options, final settlement requires payment of the cash difference between the value of the underlying option and the strike price. For Contract Options regarding physically settled options, the Contract Options will settle into the respective contract, stock or other security. Contract Options regarding options on futures will settle into a future acquired at the strike price. **Nova Partners Limited** will only allow the Client to trade Contract Options on Contracts with physical delivery if the Contract Option expires before the underlying Contract. **Nova Partners Limited** will require Clients to close any Contract with physical delivery of commodities before they can be exercised (i.e. **Nova Partners Limited** does not support physical delivery of commodities).

8. MARGIN TRADES

8.1 On the date of the opening of a Margin Trade between **Nova Partners Limited** and the Client, **Nova Partners Limited** may require the Client to have margin on the Account at least equivalent to **Nova Partners Limited** initial margin requirement.

8.2 **Nova Partners Limited** margin requirement shall apply throughout the term of the Margin Trade. It is the Client's responsibility continuously to ensure that sufficient margin is available on the Account at any time. If practicably possible **Nova Partners Limited** shall notify the Client if the margin requirements are not met. If, at any time during the term of a Margin Trade, the margin available on the Account is not sufficient to cover **Nova Partners Limited** margin requirement, the Client is obliged to reduce the amount of open Margin Trades or transfer adequate funds to **Nova Partners Limited** . Even if the Client takes steps to reduce the size of open Margin Trades or to transfer sufficient funds to **Nova Partners Limited** , **Nova Partners Limited** may close one, several or all of the Client's Margin Trades or part of a Margin Trade and/or liquidate or sell securities or other property at the Client's account at its sole discretion without assuming any responsibility towards the Client for such action.

8.3 If **Nova Partners Limited** due to insufficient margin, cf. Clause 8.2, may close one, several or all of the Client's Margin Trades, the Client shall expect, unless otherwise agreed and confirmed by **Nova Partners Limited** that all of the Client's open Margin Trades will be closed.

8.4 If the Client has opened more than one Account, **Nova Partners Limited** is entitled to transfer money or Security from one Account to another, even if such transfer will necessitate the closing of Margin Trades or other trades on the Account from which the transfer takes place.

8.5 **Nova Partners Limited** general margin requirements for different types of Margin Trades are displayed on **Nova Partners Limited** web site. However, **Nova Partners Limited** reserves the right to determine specific margin requirements for individual Margin Trades.

8.6 The Client is specifically made aware that the margin requirements are subject to change without notice. When a Margin Trade has been opened, **Nova Partners Limited** is not allowed to close the Margin Trade at its discretion but only at the Client's instruction or according to **Nova Partners Limited** rights under this Agreement. However, **Nova Partners Limited** will increase the margin requirements if **Nova Partners Limited** considers that its risk on a Margin Trade has increased as compared to the risk on the date of the opening.

9. ACCOUNTS

9.1 **Nova Partners Limited** will make available to the Client a Settlement/Trade Confirmation in respect of any transaction or Contract entered into by **Nova Partners Limited** with or for the Client and in respect of any open position closed by **Nova Partners Limited** for the Client. The Client is obliged to provide **Nova Partners Limited** with an e-mail address for this purpose. An e-mail message is considered received by the Client when sent from **Nova Partners Limited**. **Nova Partners Limited** is not responsible for any delay, alteration, re-direction or any other modification the message may undergo after transmission from **Nova Partners Limited**. A message on the Client's account on the Trading Platform is considered received by the Client when **Nova Partners Limited** has placed the message on the Trading Platform. It is the responsibility of the Client to ensure that the Client's software and hardware setup does not stand in the way of the Client receiving e-mails or get access to the Trading Platform from **Nova Partners Limited**.

9.4 The Client is obliged to verify the contents of each document, including documents sent in electronic form from **Nova Partners Limited**. Such documents shall, in the absence of manifest error, be deemed conclusive unless the Client notifies **Nova Partners Limited** in writing to the contrary immediately after having received such document. In the event that the Client believes to have entered into a transaction or Contract, which should have produced a Settlement/Trade Confirmations or otherwise a posting on the Client's account, but the Client has not received such confirmation, the Client must inform **Nova Partners Limited** immediately when the Client ought to have received such confirmation. In the absence of such information the transaction or Contract may at **Nova Partners Limited** reasonable discretion be deemed non-existent.

CLIENT SERVICES

a) Opening New Accounts

A Client should complete a New Customer Account Form and provide proof of identity and proof of address before opening a new account.

In order to provide advice suitable to the Client's investment needs and preferences, the Company must obtain the following information about the customer:

- Investment history and objectives
- Ability to sustain financial risk
- Experience investing in the securities

- Financial status

If a customer refuses to provide any of the information above, the Company cannot make any recommendations to the customer. The representative can place unsolicited orders for the customer in this case, as long as the customer completes and signs Attestation of Refusal to Provide Information on the New Customer Accounts Form.

This information shall be recorded on the New Account Form, which the customer must sign. To complete a new account form the representative must also obtain the following:

- Client classification (resident national, resident alien, foreign national, foreign alien)
- Registration type (individual, joint, corporation, bank, investment company)
- Employer
- Any other information requested on the New Account Application Form

Prior to the execution of any orders in a new account, a principal of the Company must review and approve the New Account Form. The Principal must indicate on the New Account Form whether the request to open a new account was approved or denied, note the date and initial/sign his comments.

A Client intermediary agreement signed by the Client and the principal of the Company outlines terms and conditions of the agreement and the contractual obligations between both parties for each new account, the Company should assign an account number and update the New Account Log (The document which contains the information).

A file should be opened for each new account and the New Account Form and copies of all subsequent documentation relating to that account should be held in that file, such as:

- Client Name and Account Number;
- Confirmation of Trades;
- Account Statements;
- Other forms, as applicable, for the specific account;
- Anecdotal records about contact with Client;
- Correspondence;
- Complaints.

b) Disclosure to Clients about the Company

The following information must be readily available for Client access:

- Activities that the Company is authorised to perform.
- Amount of commissions and other fees for services performed.
- Latest annual or semi-annual balance sheet of the Company.
- Location of the office and a contact person at the company from whom the Client can get information about his account or the Company.
- Any interests that the Company has in the securities of a public company.

c) Trading Securities

Once the Client has established an account with a brokerage Company, he/she is ready to purchase securities. Before placing an order the representative needs to make the Client aware of the quotes and options available regarding the order to buy and sell.

A quote consists of two prices; a bid and an asked. The bid is the highest price that someone is willing to pay for a security whereas the asked is the price at which someone wishes to sell a security. The difference between these two prices is called the spread.

The first step in executing a trade involves placing an order on behalf of the Client.

Limit Orders

A limit order places a restriction on the price the customer will pay or accept. The price is written on the order. The customer never pays more than the limit price when buying and won't receive less than the limit price when selling.

A Client may allow the representative to modify the limit order specified on the order form. Such instructions must be written by the Client on the form and will allow for the intermediary to exceed, within specified limits, the limit order if such modifications are necessary to enhance the client's success in the auction.

Solicited and Unsolicited Orders

A solicited order is one placed as a result of a recommendation by a licensed representative.

This information is important for compliance with the suitability requirement for recommendations. Every recommendation to a customer must be suitably based on the customer's stated investment objective on the New Account Form. In theory, if no

recommendation was made and a customer places an order that is unsuitable, the Company cannot be held responsible.

The Company may still choose to refuse unsuitable unsolicited orders because of the risk that the customer might file a complaint, if the customer loses his/her money whether or not a recommendation was made. Such unfounded complaints consume time and impact the Company's reputation.

One possible response to an unsuitable unsolicited order placed by a customer is to notify the customer that the order does not match his/her stated investment objective as recorded on the New Account Form. Documentation that such notification occurred, must be registered on the customer's file.

Trade Order Forms

In order to place an order, the customer must complete and sign the Sale or Purchase Order Form. The registered representative must ensure that for solicited orders the Client's order is consistent with the investment objectives stated in the New Account Form.

d) Required Disclosure before making a Recommendation

Before making any recommendation to current and future Clients, a licensed Representative must disclose the following:

- If the Company acts as dealer for the recommended security;
- If the representative has sufficient information to make the recommendation (including financial information and other public documents regarding the company whose securities are object of the recommendation);
- That there is no guarantee on future performance of the respective security;
- Any control relationship between the Company and the issuer of any security being recommended

e) Closing an Account

Apart from closing an account with a particular brokerage Company, to effect a transfer of those assets to another brokerage Company, a Client will only close an account if he/she is desirous of liquidating all assets related to that account. If the Client wants to transfer the assets of that account to another account then this process is referred to as a transfer.

Licensed Representative Requirements before Placing Orders

Licensed Representatives must complete the following before placing an order for a client:

- Verify ownership of security in the case of a sell order.
- Verify good funds (cash or escrow account) in the case of a purchase order. Note that cheques only become good funds once they have been cleared.
- Determine current market price (if any) and communicate that price to the customer.
- Ask if the customer:
 - a) wants to set a limit price or a specific range;
 - b) would not accept partial execution;
 - c) when to cancel the order if it goes unexecuted.
- Obtain a limit price and cancellation deadline, if there is no activity in the issue.
- Verify suitability of order with customer's investment objectives.
- Obtain customer signature.

f) How Verification of Ownership Will Be Undertaken

The company will maintain two accounts: the Company account and the Client Account. Each client will have a sub-account which is distinct and separate from all the other accounts.

10. COMMISSIONS, CHARGES, AND OTHER COSTS

10.1 The Client shall be obliged to pay to **Nova Partners Limited** the commissions and charges set out in the Commissions, Charges & Margin Schedule.

10.6 The fees will be charged either as a fixed amount corresponding to payments effected, or as a percentage or hourly rate corresponding to the service performed. The methods of calculation can be combined. **Nova Partners Limited** reserves the right to introduce new fees.

10.7 **Nova Partners Limited** may share commissions and charges with its associates, Introducing Brokers or other third parties or receive remuneration from them in respect of Contracts entered into by **Nova Partners Limited**. Details of any such remuneration or sharing arrangement will not be set out on the relevant Settlement/Trade Confirmations. **Nova Partners Limited** (or any associate) may benefit from commission, mark-up, mark-down or any other remuneration where it acts for the Counterparty to a Contract.

10.8 **Nova Partners Limited** will upon reasonable request and to the extent possible disclose to the Client the amount of commission, mark-up, mark-down or any other remuneration paid by **Nova Partners Limited** to any Introducing Broker or other third party.

10.9 Unless specified otherwise in this Agreement, all amounts due to **Nova Partners Limited** (or Agents used by **Nova Partners Limited**) under this Agreement shall, at **Nova Partners Limited** option:

- i be deducted from any funds held by **Nova Partners Limited** for the Client; or
- ii be paid by the Client in accordance with the provisions of the relevant difference account, Settlement/Trade Confirmation or other advice.

10.10 In respect of any transactions to be effected OTC, **Nova Partners Limited** shall be entitled to quote prices at which it is prepared to trade with the Client. Save where **Nova Partners Limited** exercises any rights it may have under this Agreement to close a Contract, it is the Client's responsibility to decide whether or not it wishes to enter into a Contract at such prices.

10.11 Furthermore, the Client acknowledges, recognizes and accepts that the procedures described in Clause 10 and Clause 13 may result in additional indirect costs for the Client.

11. INTEREST AND CURRENCY CONVERSIONS

11.1 Subject to the Clause below and save as otherwise agreed in writing, **Nova Partners Limited** shall not be liable to:

- i pay interest to the Client on any credit balance in any Account or on any other sum held **Nova Partners Limited** ; or
- ii account to the Client for any interest received by **Nova Partners Limited** on such sums or in-connection with any Contract.

11.2 The Client is entitled to interest on the basis of the Client's positive Net Free Equity in accordance with the terms in **Nova Partners Limited** Commissions, Charges & Margin Schedule.

11.3 The Client is obliged to pay interest on the basis of the Client's negative Net Free Equity in accordance with the terms in **Nova Partners Limited** Commissions, Charges & Margin Schedule.

11.4 **Nova Partners Limited** may vary such interest rates and/or thresholds for interest calculation without notice when changes are to the Client's advantage, or the grounds for changes are due to external circumstances beyond **Nova Partners Limited** control. Such circumstances are:

- i Changes in the monetary or credit policies domestic or abroad that affect the general interest level in a way that is of importance to **Nova Partners Limited** ;
- ii Other changes in the general interest level, including in the money and bond markets, that is of importance to **Nova Partners Limited** ;

11.5 **Nova Partners Limited** may vary such interest rates where the Trading Platform is used for Commercial use with one month's notice, and where the Trading Platform is used for Private use with two months' notice if:

- i market conditions, including competitive behavior, call for a change to **Nova Partners Limited** conditions;
- ii **Nova Partners Limited** wishes to change its general commission, fee and pricing structure for commercial reasons; and/or

iii changes to significant particulars of the Client, based on which individual conditions were provided, occurs.

The Client is deemed to have accepted such changes if he does not, before the proposed date of their entry into force, notify **Nova Partners Limited** that he does not accept them.

11.6 **Nova Partners Limited** is entitled, but shall not in any circumstances be obliged, to convert:

- i any realised gains, losses, option premiums, commissions, interest charges and brokerage fees which arise in a currency other than the Client's base currency (i.e. the currency in which the Client's Account is denominated) to the Client's base currency;
- ii any cash currency deposit to another cash currency deposit for the purpose of purchasing an asset denominated in a currency other than the Client's base currency;
- iii any monies held by **Nova Partners Limited** for the Client into such other currency as **Nova Partners Limited** considers necessary or desirable to cover the Client's obligations and liabilities in that currency.

11.7 Whenever **Nova Partners Limited** conducts currency conversions, **Nova Partners Limited** will do so at such reasonable rate of exchange as **Nova Partners Limited** selects. **Nova Partners Limited** shall be entitled to add a mark-up to the exchange rates. The prevailing mark-up is defined in the Commissions, Charges & Margin Schedule.

12. PLEDGE AGREEMENT

12.1 Any and all Security transferred to **Nova Partners Limited** by the Client or held by **Nova Partners Limited** or by **Nova Partners Limited** Counterparties on behalf of the Client is pledged as a security for any liability that the Client may have or get towards **Nova Partners Limited**. Without limitation such Security shall comprise the credit balances on Accounts, the securities registered as belonging to the Client on **Nova Partners Limited** books, and the value of the Client's open positions with **Nova Partners Limited**.

12.2 If the Client fails to fulfill any obligation under this Agreement, **Nova Partners Limited** is entitled to sell any pledged Security immediately without any notice or court action. Such sale shall take place by the means that **Nova Partners Limited** in its

reasonable discretion determines and at the price that **Nova Partners Limited** in its reasonable discretion determines to be the best obtainable.

13. NETTING AGREEMENT

13.1 If on any date the same amounts are payable under this Agreement by each party to the other in the same currency, then, each party's obligations to make payment of any such amount will be automatically satisfied by netting. If the amounts are not in the same currency, the amounts are converted by **Nova Partners Limited** in accordance with the principles referred to in Clause 11.

13.2 If the aggregate amount that is payable by one party exceeds the aggregate amount that is payable by the other party, then the party by whom the larger aggregate amount is payable shall pay the excess to the other party and the obligations to make payment of each party will be satisfied and discharged.

13.3 If the Client, at any time during the Client relationship, has a negative cash-balance in any Account, **Nova Partners Limited** is entitled but not obligated to net between the Client's Accounts. The Client shall bear all the charges and any other costs associated with such netting in accordance with the Commissions, Charges & Margin Schedule.

13.4 If the Client relationship is terminated according to Clause 24, the claims that the parties have against each other shall be finally discharged by means of netting (closed). The value of open Contracts shall be determined according to the principles set forth below and the final amount to be paid by one of the parties shall be the difference between the payment obligations of the parties.

13.5 Rates based on which the Contracts shall be closed shall be market rates applicable on the day on which **Nova Partners Limited** decides to close the Contracts.

13.6 **Nova Partners Limited** may at its reasonable discretion determine the rates by obtaining an offer from a Market Maker in the asset in question or by applying rates from electronic financial information systems.

13.7 When determining the value of the Contracts to be netted, **Nova Partners Limited** shall apply its usual spreads and include all costs and other charges.

13.8 This netting agreement shall be binding towards the estate and creditors of the parties to the client relationship.

14. MARKET MAKING

14.1 When **Nova Partners Limited** executes orders as Agent for the Client on a recognized stock or futures exchange, **Nova Partners Limited** will not be a party to such a trade as such orders will be executed in the trading system of the relevant exchange at the best price and the most favourable conditions available at the time of the order or according to the Client's specific instructions, e.g. in a situation where the Client has chosen to limit the order. **Nova Partners Limited** will not include any additional spread in the price of the execution achieved for the Client but will be remunerated according to the Commissions, Charges & Margin Schedule.

14.2 The Client is specifically made aware that in certain markets, including the foreign exchange markets, OTC foreign exchange options and CFD Contracts, **Nova Partners Limited** may act as a Market Maker.

14.3 **Nova Partners Limited** will, upon the Client's written request, in general disclose to the Client whether **Nova Partners Limited** may act as a Market Maker in a certain instrument.

14.4 When acting as a Market Maker, **Nova Partners Limited** will under normal market circumstances quote the Client bid and ask prices.

14.5 In order for **Nova Partners Limited** to quote prices with the swiftness normally associated with speculative trading, **Nova Partners Limited** may have to rely on available price or availability information that may later prove to be faulty due to specific market circumstances, for instance, but not limited to, lack of liquidity in or suspension of an asset or errors in feeds from information providers or quotes from Counterparties. If so and if **Nova Partners Limited** has acted in good faith when providing the price to the Client **Nova Partners Limited** may cancel the trade with the Client but shall do so within reasonable time and shall provide the Client with a full explanation for the reason for such cancellation.

14.6 Following execution of any position with a Client, **Nova Partners Limited** may at **Nova Partners Limited** reasonable discretion subsequently offset each such client position with another client position, or a position with one of **Nova Partners Limited** Counterparties or retain a proprietary position in the market with the intention to obtain trading profits from such positions. Such decisions and actions may therefore result in **Nova Partners Limited** off-setting client positions at prices different

(sometimes significantly different) from prices quoted to clients, resulting in trading profits or losses for **Nova Partners Limited**. This in turn can raise the possibility of the Client incurring what may be seen as an implied cost (i.e. the difference between the price at which the Client traded with **Nova Partners Limited** and the price at which **Nova Partners Limited** subsequently traded with Counterparties and/or other clients) due to any profits realised by **Nova Partners Limited** as a result of the Market Making function. However the Market Making function may involve significant costs to **Nova Partners Limited** if the market moves against **Nova Partners Limited** as compared to the price at which **Nova Partners Limited** traded with the Client.

14.7 The Client accepts that **Nova Partners Limited** in such markets where **Nova Partners Limited** acts as Market Maker, may hold positions that are contrary to positions of the Client, resulting in potential conflicts of interest between **Nova Partners Limited** and the Client, cf. Clause 16.

14.8 In markets, where **Nova Partners Limited** acts as a Market Maker, the Client accepts that **Nova Partners Limited** has no obligation to quote prices to clients at all times in any given market, nor to quote such prices to clients with a specific maximum spread.

14.9 In markets, where **Nova Partners Limited** acts as a Market Maker, **Nova Partners Limited** may or may not charge commissions. However, irrespective of whether or not **Nova Partners Limited** charges any commissions, the Client accepts that **Nova Partners Limited** will seek to make additional profits out of its performance as a Market Maker and the size of any such profits may be considerable if and when compared with the Client's margin deposit.

14.10 The Client acknowledges, recognizes and accepts that the price quoted to the Client includes a spread when compared with the price to which **Nova Partners Limited** may have covered or expected to be able to cover the Contract in a trade with another client or a Counterparty. Furthermore, the Client acknowledges, recognizes and accepts that said spread constitutes remuneration to **Nova Partners Limited** and that such spread not necessarily can be calculated for all Contracts and that such spread will not be specified at the Settlement/Trade Confirmation or otherwise revealed to the Client.

14.11 The Client acknowledges, recognizes and accepts that **Nova Partners Limited** quotes variable spreads on options. The Client is specifically made aware that variable option spreads are affected by actual market conditions, which are beyond **Nova**

Partners Limited control. **Nova Partners Limited** does not guarantee any maximum or minimum quotable option spreads.

14.12 Any commission costs, interest charges, costs associated to and included in the spreads quoted by **Nova Partners Limited** as a Market Maker in certain markets and other fees and charges will consequently influence the Client's trading result and will have a negative effect on the Client's trading performance compared to a situation if such commission costs, interest charges, costs associated to and included in the spreads did not apply.

14.13 Whilst dealing spreads and commissions are normally considered moderate seen in relation to the value of the assets traded, such costs may be considerable when compared with the Client's margin deposit. As a consequence thereof the Client's margin deposit may be depleted by trading losses that the Client may incur and by the directly visible dealing costs such as commissions, interest charges and brokerage fees as well as the said not visible costs for the Client, caused by **Nova Partners Limited** performance as a Market Maker.

14.14 If the Client is an active trader and is undertaking numerous transactions, the total impact of as well visible as not visible costs may be significant. Consequently the Client may have to obtain significant profits in the markets in order to cover the costs associated with trading activities with **Nova Partners Limited**. For very active Clients, such costs may over time exceed the value of the margin deposited. Normally, when trading margined derivatives, the lower the percentage of the applicable margin rate, the higher the proportion of the costs associated with executing a transaction.

14.15 The Client is specifically made aware that in the area of market making in foreign exchange, OTC foreign exchange options, CFD Contracts and other OTC products, significant implied costs can arise as a consequence of the profits made by **Nova Partners Limited** performing in its capacity as a Market Maker.

14.16 **Nova Partners Limited** performance as a Market Maker may negatively affect the Client's Account with **Nova Partners Limited** and the said implied costs are neither directly visible nor directly quantifiable for the Client at any time.

14.17 **Nova Partners Limited** is at no time obliged to disclose any details of its performance or income produced as a Market Maker or otherwise related to other commissions, charges and fees.

14.18 The Client is specifically made aware that CFD Contracts may be OTC products quoted by **Nova Partners Limited** whilst operating as a Market Maker and not traded on a recognized stock exchange. As a result, the description above of the implied, not visible costs related to **Nova Partners Limited** performance as a Market Maker may also apply to any CFD Contract.

15. AGGREGATION AND SPLIT

15.1 **Nova Partners Limited** is in accordance with the broker's Best Execution Policy entitled to aggregate the Client's orders with the broker's own orders, orders of any of the broker's associates and/or persons connected with **Nova Partners Limited** including employees and other clients. Furthermore, **Nova Partners Limited** may split the Client's orders when executing these. The orders will only be aggregated or split if **Nova Partners Limited** reasonably believes it to be in the best interest of the Client. On some occasions aggregation and split of the Client's order may result in the Client obtaining a less favourable price than if the Client's orders had been executed respectively separately or mutually.

16. CONFLICTS OF INTEREST

16.1 **Nova Partners Limited**, its associates or other persons or companies connected with **Nova Partners Limited** may have an interest, relationship or arrangement that is material in relation to any transaction or Contract effected, or advice provided by **Nova Partners Limited**, under this Agreement. By accepting this Agreement and **Nova Partners Limited** Conflict of Interest Policy (which distinctly describes the general character and/or background of any conflict of interest) the Client agrees that **Nova Partners Limited** may transact such business without prior reference to any potential specific conflict of interest.

17. Nova Partners Limited COUNTERPARTIES

17.1 In order to give effect to the Client's instructions, **Nova Partners Limited** may instruct a Counterparty selected at **Nova Partners Limited** discretion and **Nova Partners Limited** shall do so where the transaction is to be subject to the rules of an exchange or market of which **Nova Partners Limited** is not a member.

17.2 **Nova Partners Limited** shall not be responsible for errors committed by such Counterparties unless it is proven that **Nova Partners Limited** has not acted with sufficient care when selecting the Counterparty.

18. INTRODUCING BROKERS

18.1 The Client may have been referred to **Nova Partners Limited** by an Introducing Broker. If so, **Nova Partners Limited** shall not be responsible for any agreement made between the Client and the Client's Introducing Broker. The Client acknowledges that any such Introducing Broker will either be acting as an independent intermediary or an Agent for the Client and that no such Introducing Broker shall be authorised to make any representations concerning **Nova Partners Limited** or **Nova Partners Limited Services**.

18.2 The Client is specifically made aware that the Client's agreement with its Introducing Broker may result in additional costs as **Nova Partners Limited** may pay fees or commission to such person.

18.3 The Client is also specifically made aware that the Client's agreement with its Introducing Broker may result in additional costs for the client because the Introducing Broker can deduct commissions and fees as well as price or interest/financing rate adjustments for any trade conducted on or allocated to the Client's account either by the Introducing Broker or the Client.

18.4 If the Introducing Broker undertakes any deductions from the Client's Trading Account according to any agreement between the Client and the Introducing Broker, **Nova Partners Limited** has no responsibility as to the existence or validity of such an agreement.

18.5 **Nova Partners Limited** shall have no responsibility or liability to the Client in following the instructions given by the Introducing Broker. **Nova Partners Limited** is under no obligation to supervise or otherwise know or review the payment instructions or any other acts, including but not limited to the trading, of the Introducing Broker.

18.6 The client acknowledges and accepts that frequent transactions may result in a sum total of commissions, fees, price or interest/financing rate adjustments for trades conducted that may be substantial and not necessarily be offset by the net profits, if any, achieved from the relevant trades. The responsibility for correctly assessing whether the size of the total commissions, fees, price or interest/financing rate adjustments for trades conducted paid from the Client's account makes trading commercially viable, is the combined responsibility of the Client and the Introducing Broker. **Nova Partners Limited** only acts as the custodian and principal broker, and therefore is not responsible for the size of the commissions and fees as well as price or interest rate paid by the Client.

18.7 Any commissions, fees, price or interest/financing rate adjustments for trades conducted may be shared between the Introducing Broker, **Nova Partners Limited** and third parties according to the Introducing Broker's written instructions and/or at **Nova Partners Limited** discretion.

19.5 Upon the occurrence of an Event of Default, **Nova Partners Limited** shall at its discretion be entitled to:

- i sell or charge in any way any or all of the Client's collateral, assets and property which may from time to time be in the possession or control of **Nova Partners Limited** or any of its associates or Agents or call on any guarantee, without any notice or court order. vii close-out all Contracts and net all the Client's and **Nova Partners Limited** obligations towards each other as of the date fixed by **Nova Partners Limited** with effect to third parties.

19.6 The Client authorises **Nova Partners Limited** to take any or all of the steps described in this Clause without notice to the Client and acknowledges that **Nova Partners Limited** shall not be responsible for any consequences of it taking any such steps, unless **Nova Partners Limited** has exercised gross negligence in connection herewith. The Client shall execute the documents and take the action as **Nova Partners Limited** may request in order to protect the rights of **Nova Partners Limited** and its associates under this Agreement or under any agreement the Client may have entered into with **Nova Partners Limited** associates.

22.4 The Client's personal information will be stored no longer than necessary to carry out the purposes listed in this Agreement. The Client has the right to request correction, supplementation, deletion, or blocking of such personal information if inaccurate, incomplete, or irrelevant for the purposes of the processing or if processed in any other way that is unlawful. In certain circumstances, the Client may also have the right to object for legitimate reasons to the processing of such personal data in accordance with the procedures set forth in the applicable data protection regulations and to seek other legal remedies available in connection with the processing of such personal information.

25.1 In case the Client has raised a question or a problem with the account executive or another employee of **Nova Partners Limited** without receiving a satisfactory answer, the Client is entitled to file a written complaint with the Compliance Department in **Nova Partners Limited** . The Compliance Department hereafter investigates and answers the complaint.

25.2 Without prejudice to any of **Nova Partners Limited** other rights under this Agreement, in case of a dispute between the Client and **Nova Partners Limited** over a Margin Trade or alleged Margin Trade or any instruction relating to a Margin Trade, **Nova Partners Limited** is entitled at its reasonable discretion and without notice to close any such Margin Trade or alleged Margin Trade if **Nova Partners Limited** reasonably believes such action to be desirable for the purpose of limiting the maximum amount involved in the dispute. **Nova Partners Limited** shall not be responsible to the Client in connection with any subsequent fluctuations in the level of the relevant Margin Trade. If **Nova Partners Limited** closes a Margin Trade under this Clause such action shall be without prejudice to **Nova Partners Limited** right to contend that such Margin Trade had already been closed by **Nova Partners Limited** or was never opened by the Client. **Nova Partners Limited** shall take reasonable steps to inform the Client that **Nova Partners Limited** has taken such action

as soon as practicable after doing so. Where **Nova Partners Limited** closes a Margin Trade or alleged Margin Trade in accordance with this Clause, the closing shall be without prejudice to the Client's rights to open a new Margin Trade, provided that such Margin Trade is opened in accordance with this Agreement. When calculating margin or other funds required for such Margin Trade, **Nova Partners Limited** is entitled to do so on the basis that **Nova Partners Limited** view of the disputed events or instructions is correct.

26. MISCELLANEOUS

26.1 If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement under the law of that jurisdiction nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected.

Such force majeure events shall include without limitation any technical difficulties such as telecommunications failures or disruptions, non-availability of **Nova Partners Limited** website e.g. due to maintenance downtime, declared or imminent war, revolt, civil unrest, catastrophes of nature, statutory provisions, measures taken by authorities, strikes, lock-outs, boycotts, or blockades, notwithstanding that **Nova Partners Limited** is a party to the conflict and including cases where only part of **Nova Partners Limited** functions are affected by such events.

26.3 If the Client's combined exposure in one or more margin trades reaches a level which - in case of an adverse market development - may lead to a significant deficit not covered by the Client's deposits and/or margin with **Nova Partners Limited**, **Nova Partners Limited** may in its reasonable discretion (i) increase the margin requirements and/or (ii) reduce the Client's exposure by closing one or more or all of the client's open positions.

26.4 Furthermore, **Nova Partners Limited** is entitled in its reasonable opinion to determine that an emergency or an exceptional market condition has occurred. Such conditions shall include, but are not limited to, the suspension or closure of any market or the abandonment or failure of any event to which **Nova Partners Limited** relates its

quote or the occurrence of an excessive movement in the level of any Margin Trade and/or underlying market or **Nova Partners Limited** reasonable anticipation of the occurrence of such a movement. In such cases **Nova Partners Limited** may increase its margin requirements, reduce the Client's exposure, close any or all of the Client's open Margin Trades and/or suspend trading.

26.5 The Client may not assign its rights or delegate any of the Client's obligations under this Agreement or according to any Contract to others whereas **Nova Partners Limited** may assign its rights or delegate its obligations to any regulated financial institution.

Transactions undertaken by the Client notwithstanding above, shall be deemed as had this sub-clause indeed been complied with.

26.7 The rights and remedies contained in this Agreement are cumulative and not exclusive of any rights or remedies provided by law.

26.8 No delay or omission on the part of **Nova Partners Limited** in exercising any right, power or remedy provided by law or under this Agreement, or partial or defective exercise thereof, shall:

- i impair or prevent further or other exercise of such right, power or remedy; or
- ii operate as a waiver of such right, power or remedy.

26.9 No waiver of pleading a default of a clause in this Agreement shall (unless expressly agreed in writing by the waiving party) be construed as a waiver of a future breach of the same clause or as authorizing a continuation of the particular breach.

26.10 The Client hereby ratifies all transactions with **Nova Partners Limited** effected prior to the Client's acceptance of this Agreement and agrees that the rights and obligations of the Client in respect thereto shall be governed by this Agreement.

26.11 By accepting this Agreement on behalf of a corporation or other legal entity, the person signing represents and warrants that he/she is authorised to act on behalf of such corporation or legal entity and to bind the same to this Agreement and all obligations arising hereunder. If at a later stage it becomes apparent that the signatory was not duly authorized to bind the corporation or legal entity, **Nova Partners Limited** will have the right to seek restitution from this person. Furthermore, the signatory shall indemnify **Nova Partners Limited** against all liabilities, losses, damages, costs and expenses in relation to any claims or action brought against **Nova Partners Limited** as a result of the signatory holding out to be authorised to act and bind any such corporation or legal entity.

26.12 Client shall be able to communicate with **Nova Partners Limited** in English or any other language as **Nova Partners Limited** may offer from time to time. **Nova Partners Limited** may communicate with the Client in English or any other language agreed between the parties.

The original English versions shall be the only legally binding versions for the Client and **Nova Partners Limited**. In case of discrepancies between the English version and other translations in the Client's possession, the original English version provided by **Nova Partners Limited** on the website shall prevail.

RISK DISCLOSURE STATEMENT FOR TRADES IN FOREIGN EXCHANGE AND DERIVATIVES (INCLUDING CFD'S, FUTURES AND OPTIONS)

This brief statement, which constitutes an addition to this Agreement, does not disclose all of the risks and other significant aspects of trading foreign exchange and derivatives. In consideration of the risks, you should enter into transactions with the mentioned products only if you understand the nature of the contracts and the contractual legal relationship into which you are entering and the extent of your exposure to risk. Transactions in foreign exchange and derivatives are not suitable for many members of the public. You should carefully consider whether transacting is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

FOREIGN EXCHANGE AND DERIVATIVES

1 Effect of "Leverage" or "Gearing"

Transactions in foreign exchange and derivatives carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign exchange or derivatives contract so that transactions are "leveraged" or "geared". A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with **Nova Partners Limited** to maintain your position. If the market moves against your position and/or margin requirements are increased, you may be called upon to deposit additional funds on short notice to maintain your position. Failing to comply with a request for a deposit of additional funds, may result in closure of your position(s) by **Nova Partners Limited** on your behalf and you will be liable for any resulting loss or deficit.

2 Risk-reducing Orders or Strategies

The placing of certain orders (e.g. "stop-loss" orders, where permitted under local law, or "stop-limit" orders), which are intended to limit losses to certain amounts, may not be adequate given that markets conditions make it impossible to execute such orders, e.g. due to illiquidity in the market. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

OPTIONS

3 Variable Degree of Risk

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e., put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs. The purchaser of options may offset or exercise the options or allow the option to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased option is out-of-the-money when it expires, you will suffer a total loss of your investment, which will consist of the option premium plus transaction costs. If you are contemplating purchasing out-of-the-money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ("writing" or "granting") an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on Futures above). If the option is "covered" by the seller holding a corresponding position in the underlying asset, in a future or in another option, the risk may be reduced. In case the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

ADDITIONAL RISKS COMMON TO FOREIGN EXCHANGE AND DERIVATIVE TRANSACTIONS

4 Terms and Conditions of Contracts

You should ask the firm with which you deal about the terms and conditions of the Contracts entered into and information on associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

5 Suspension or Restriction of Trading and Pricing Relationships

Market condition (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g., the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or close/ offset positions. If you have sold options, this may increase the risk of loss.

Normal pricing relationships between the underlying asset and a derivative do not always exist. The absence of an underlying reference price may make it difficult to judge "fair" value.

6 Deposited Cash and Property

You should familiarize yourself with the protections accorded the Security you deposit by way of money or other assets in domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or other assets is governed by the legislation and local rules in the country at which location the counterparty acts.

7 Commission and Other Charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit or loss.

8 Transactions In Other Jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Your local

regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected.

9 Currency Risks

The profit or loss in transactions in foreign currency-denominated contracts in another currency than your account currency will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to the account currency.

10 Trading Facilities

Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary: you should ask the firm with which you deal for details in this respect.

11 Electronic Trading

Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions, is not executed at all and a lack of capability to keep you informed continuously about your positions and fulfillment of the margin requirements.

12 Off-Exchange Transactions

In some jurisdictions firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterpart to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a

separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.
